Second Quarter Goals: System Design and Prototype

I. ISKO-ON-THE-GO: Pisay Iskolars' App

II. Project Objectives

ISKO-ON-THE-GO is an app that aims to help students of Philippine Science High School - CALABARZON Region Campus in Batangas City to navigate their way through the campus. Its features such as checking announcements, student info, schedules, and daily food options from the cafeteria were all carefully selected in order to assist students so that they need not to do things like ask other people and open multiple chats, essentially saving them time and putting it all in one place for their convenience. Another goal of this app is to help younger or new students (grade 7 or transferees) to become familiar with their new environment and get used to the different services Pisay has to offer. If optional features are accomplished, we also hope to aid in students' preparation for events and stay updated with rules. Ultimately, ISKO-ON-THE-GO's main objective is to provide scholars with all important and useful information they could need and help them prepare for the future, all in one place.

III. Planned Features and Requirement

a. Core Features (Must-Have)

FOR ALL STUDENTS:

1. Functional

- Allows the user to log in with an account (provided with institutional e-mail) to access their information which is updated externally.
- Allow users to select their grade level and section
- Allow users to select their SCALE/joined ALP for the year
- Allow users to log out and exit the program.
- Checks if grade level entered by user is within 7-12
- Checks if section entered by user is for their grade level
- Update their student information

2. Announcements

- Allow users to check their class announcements
- Allow users to check their batch announcements
- Allow users to check campus-wide announcements

3. Schedules

- Allow the user to view their class schedule per grade/section.

4. Cafeteria

Postal Address: Sitio Sampaga West, Brgy. Sampaga, Batangas City 4200
Website: https://cbzrc.pshs.edu.ph/
Tel/Fax No.:(043) 724-6199
Trunkline: (043) 779-8320

CERT NO.: TÜV SÜD PSB-PH 100 01 0060
ISO 9001:2015

- Allow the user to view their food options of the day.
- Allow the user to view their available snacks.

5. Student Information/ID

- Allow the user to view all of their information:
  Their name;
  their age;
  their address;
  a digital copy of their physical ID;
  their SCALE/ALP and their SCALE/ALP adviser.
- Allow the user to update their information

6. Other lists

- Allow users to view a list of books borrowed for the A.Y.
- Allow users to view a list of items in the 'Lost and Found' of SCO

FOR INTERNS ONLY:

- Allow the user to see basic rules of the residence halls.
- Allow the user to view the regular dorm schedule.

b. Additional Features (Nice-to-Have)

1. Events and schedules

- Allow the user to view upcoming events.
- Allow the user to view their event dates/times..
- Allow the user to view their event venues.
- Allow the user to check if an event is necessary (required attendance).

2. Campus map

- Allow the user to see the locations of faculties.
- Allow the user to see the teachers assigned to each faculty.
- Allow the user to see the lab locations.
- Allow the user to navigate the gym rooms.
- Allow the user to see the classroom locations.
- Allow the user to see the Auditorium, AVR, Activity Center locations.
- Allow the user to see their SCALE/ALP venues.

3. Student handbook

- Allow the user to view the campus dress code.
- Allow the user to view the campus rules and regulations.
- Allow the user to view the campus facts/info.
- Allow the user to view the uniform types (under dress codes).

4. Miscellaneous

- Allow the user to view a list of wifi passwords for assigned rooms

Postal Address: Sitio Sampaga West, Brgy. Sampaga, Batangas City 4200
Website: https://cbzrc.pshs.edu.ph/
Tel/Fax No.:(043) 724-6199

CERT NO.: TÜV SÜD PSB-PH 100 01 0060
ISO 9001:2015

c. Short Descriptions

FOR ALL STUDENTS:

1. Functional

- Users will be able to sign up to an account for our app. In this account, they are able to access and update their information, which is updated externally
- The user will be able to select their grade level and section. This will help in sorting them to the right information such as announcements and schedules.
- The user will be able to select the ALP (Alternative Learning Program) they chose for the school year. This information allows us to help them to quickly navigate to their venue in a later feature
- The user will also be able to log out and exit the app once they are done. All data will be saved even after the user logs out.

2. Announcements

- The user will be able to get quick notifications on important announcements whether it be in their class, batch or even the entire campus. This helps to keep scholars updated quickly on important announcements and events.

3. Schedule

- The user will be able to access a schedule for their day based on their grade and section.

4. Cafeteria

- Users will be able to see the available food options for break, lunch and dinner along with a menu for available snacks. This helps for quick access to a menu of various foods for people who plan on going on a healthy diet.

5. Student Information

- When users sign up they will have to provide their name, age, address, their phone numbers, a digital copy of their physical ID (for proof), and their ALP and their ALP adviser. This will give them an easily accessible summary of all this information and it also verifies if the user really is a scholar from Pisay.

6. Other lists

- The user will be able to access a list of all the books they've borrowed during the school year. This information helps in the case that the user loses a book.

Postal Address: Sitio Sampaga West, Brgy. Sampaga, Batangas City 4200
Website: https://cbzrc.pshs.edu.ph/
Tel/Fax No.:(043) 724-6199
Trunkline: (043) 779-8320

CERT NO.: TÜV SÜD PSB-PH 100 01 0060
ISO 9001:2015

- The user will also be able to access the lost and found list in case they lose something.

FOR INTERNS ONLY:

- Interns will be able to see a list of the basic rules of the residence halls to help them properly adapt to the new environment and also follow the schools code of conduct
- Interns will also be given their own schedules to help them navigate through their day and through new environments especially if they're new.

OPTIONAL

1. <u>Event Schedules</u>

- Users will be able to see upcoming events to give them a heads-up and be ready for the events.
- Whenever an event takes place, users will be able to access a schedule for when and how long each event will occur.
- Users will be able to see all the venues for each event so they won't get lost.
- Users will also be able to check if the event is optional or required so they know if they have to attend or not.

2. <u>Campus Map</u>

- New students will be able to access a detailed map of the entire campus to help them learn and explore the new place.
- The user will be able to see the locations of every faculty and the teachers assigned to them. This helps to quickly get help for subjects in which they need to consult.
- The user will be able to navigate through the ASTB and other locations quickly to help them find the lab they are looking for.
- The user will be able to quickly navigate through the gym to find the gym rooms they are looking for.
- The user will be given the location of their assigned classroom just in case they forgot or they are lost.
- The user will be able to quickly access the locations of the auditorium, AVR and activity center locations which can help during events or make-up classes
- The user will be able to see the venues of their assigned ALP just in case they forget or they're lost.

3. <u>Student Handbook</u>

- Users will be able to view the campus dress code to assist them with following the school's code of conduct.

Postal Address: Sitio Sampaga West, Brgy. Sampaga, Batangas City 4200
Website: https://cbzrc.pshs.edu.ph/
Tel/Fax No.:(043) 724-6199
Trunkline: (043) 779-8320

CERT NO.: TÜV SÜD PSB-PH 100 01 0060
ISO 9001:2015

- Users will be able to view the different uniform types under the campus dress code to help them get prepared for classes.
- Users will be able to see a list of all the campus' rules and regulations to help them properly adapt to the new environment and also follow the schools code of conduct.
- Users will be able to view information about the campus like facts in case they want to learn more about the campus or if they're looking to recommending it to a relative or a friend

4. Miscellaneous

- The user will also be able to see the wifi passwords for assigned rooms to give them wifi for leisurely activities or studying
